

# Understanding School Finances

Modern Governor, from Learning Pool, is a collection of manageable e-learning courses designed to help school governors develop their skills through e-learning.

This interactive course outlines the way in which local authorities receive and distribute funding for schools. It will introduce you to the basics of your responsibilities as a school governor and will also introduce you to how your school can raise extra funds or charge for certain activities.

The course will also cover:

- when a school can charge for an activity and when it may not
- the correct way in which your school can ask for voluntary contributions
- how many schools raise additional funds through the efforts of volunteers
- what you should do if you suspect fraud at your school
