

Safeguarding and Promoting Child Welfare

Modern Governor, from Learning Pool, is a collection of manageable e-learning courses designed to help school governors develop their skills through e-learning.

The Safeguarding and Promoting Child Welfare course gives a review of the difference between safeguarding and child protection.

This topic will introduce you to the basics of child protection as relevant to your role as a school governor.

The course will cover:

- the difference between safeguarding and child protection
- what policies your school must have in place
- how to ensure a safe recruitment process
- what to do in a case of suspected abuse or neglect
- how to respond to an allegation of abuse
- the basic signs of neglect or abuse

The module also includes a short quiz to test your knowledge on the key learning points covered.
