

## Some Governors' Questions Answered

Modern Governor, a product within the Learning Pool portfolio, is a collection of bite-sized e-learning modules designed to help School Governors develop their skills.

This module has been designed with the aid of education experts Bill Wright, Derek Balaam and Mary Harker.

They have explained that Governors frequently ask the same key questions, such as:

- How long does my appointment as a School Governor last?
- Can I be reappointed after serving my term?
- What do I do if my personal circumstances change and I can no longer fulfil the role?
- I've been a Governor at one school - can I be a Governor at another?
- When can I visit my school - and what should I do there?
- What do I do if I think there's something untoward happening in my school?

We recorded Bill, Derek and Mary answering these questions. You can now get access to their excellent advice through a series of video interviews in this module.
