

# The New Governor

Modern Governor, a product within the Learning Pool portfolio, is a collection of bite-sized e-learning modules designed to help School Governors develop their skills.

This module has been designed for new School Governors and introduces you to your role and responsibilities. After this short, bite sized interactive course you will be able to:

- Identify the roles and responsibilities of the Governing Body
- Understand the role of a Governor
- Access additional resources for more detailed information

Within each section you will find practical examples to check your understanding.

At the end of the module there is the opportunity to test your knowledge by deciding appropriate actions for two fictional scenarios.
