Becoming a School Governor

Modern Governor, a product within the Learning Pool portfolio, is a collection of bite-sized e-learning modules designed to help School Governors develop their skills

Becoming a Governor allows you to shape the education children receive and make an important contribution to your local community.

You may have some questions about the role, such as:

- what does the role of School Governor involve?
- what sort of 'expert' should become a Governor?
- what makes a 'good' Governor?
- what qualifications do you need to become a Governor?
- how much time does the role require?

Get the answers in a series of video interviews with Ruth Agnew and Derek Balaam.
