Health and Safety

Modern Governor, a product within the Learning Pool portfolio, is a collection of bite-sized e-learning modules designed to help School Governors develop their skills

You will learn the key elements of the Health and Safety Act and the procedures that must be in place to ensure its guidelines are properly implemented and the policy is kept up-to-date.

This module also covers the health and safety responsibilities of your role as part of the Local Authority, Governing Body or as a Proprietor, and how best to fulfil them.

You will get the chance to explore a fictional scenario, which will help you understand more about common health and safety issues in school and on field trips.
