My Role as a Governor

Modern Governor, a product within the Learning Pool portfolio, is a collection of bite-sized e-learning modules designed to help School Governors develop their skills

This module introduces you to your role and responsibilities as a School Governor.

We also look at the history of Governing Bodies and how they are organised today.

We explore how best to work with key stakeholders, including parents, teachers and the community.

The module also covers the roles of Governors with more specific duties and the basics of Governor meetings.

Test your new understanding of the role with the quiz at the end.
