# Governing Body Health-check Questionnaire

This health check questionnaire has been designed to help governing bodies to evaluate what they do in order to make sure that they meet statutory requirements and that their practices meet the highest possible standards.

With thanks to Sue Pagliaro, Governor Services Manager for City of York Council, who lent her expertise to this questionnaire.

**Module title:** Governing Body Health-check Questionnaire

**Module duration:** Variable

**Module composition:**

- Teamwork
- How effective is the work of the Governing Body
- School Finance
- Curriculum
- Performance Management
- Target Setting and Performance
